3. **FOR WHAT PURPOSES AND ON WHAT LEGAL BASIS WILL YOUR PERSONAL DATA BE PROCESSED?**

We process your Personal Data on the basis of the regulations of the GDPR and the German Act on Debt Securities (*Schuldverschreibungsgesetz* – "**SchVG**") as well as all other relevant legal regulations for the processing purposes provided for in the SchVG and explained in detail below. The processing of the Personal Data referred to above is carried out for the purpose of the proper execution of the Vote without Meeting in accordance with the provisions of the SchVG and the terms and conditions of the Bonds ("**Terms and Conditions**").

The legal basis for the processing of your Personal Data is the execution of the Terms and Conditions (Article 6 para. 1 sentence 1 lit. b) GDPR) in compliance with the provisions of the SchVG.

3.1 **Background**

The Bonds are governed by the SchVG as well as the Terms and Conditions. Pursuant to Section 14 para. 1 of the Terms and Conditions all votes will be taken exclusively by vote taken without a meeting pursuant to Section 18 SchVG. A meeting of Holders and the assumption of the fees by the Issuer for such a meeting will only take place in the circumstances of Section 18 para. 4 sentence 2 of the SchVG. The legal basis for this Vote without Meeting is Section 5 para. 6 SchVG in conjunction with Section 18 SchVG.

The Issuer invited the Holders to participate in the Vote without Meeting, by way of publication of the invitation to vote in the Vote without Meeting in the German Federal Gazette (*Bundesanzeiger*) in Luxemburger Wort and on the Issuer's website ([Bonds | Photon Energy Group](#) in section Green EUR Bond 2021/2027) on 30 July 2026

(**“Invitation to Vote”**). For the purposes of conducting the Vote without Meeting, the Issuer appointed the Notary as scrutineer.

3.2 The vote

If you wish to participate in the Vote without Meeting, you must cast your vote directly with the Notary in text form. You may choose to do so yourself or appoint a proxy (such as the Proxyholders named below, your depository bank, or any other third party) to vote on your behalf.

You must present, or procure for your depository bank to present, to the Notary, along with the vote submission in text form, a proof of your authorization to participate in the Vote without Meeting (**“Special Confirmation”**) as well as the corresponding blocking notice issued by your depository bank (**“Blocking Notice”**) or an alternative proof of your entitlement to participate in the Vote without Meeting (**“Alternative Proof”**). The vote submission, the Special Confirmation, the Blocking Notice, the Alternative Confirmation and the Consent Instruction contain Personal Data.

3.3 Minutes of the Vote

Pursuant to Section 18 para. 4 sentence 3 SchVG the Notary shall record any resolutions passed at the Vote without Meeting in the minutes of such vote (**“Minutes of the Vote”**). These Minutes of the Vote may include Personal Data (e.g. name and address of the Holders participating in the Vote without Meeting or submitting counter-motions or requests for the addition of items for resolution and the total nominal value and/or number of notes held by them in the Bonds as well as the name and address of the depository bank where the Bonds are credited in favour of the Holder).

3.4 Conducting the Vote without Meeting

Pursuant to Section 18 para. 4 sentence 1 SchVG, the Notary is required to create a list of the Holders who have participated in the vote, stating their name, registered office or place of residence and the number of voting rights represented by each Holder (**“Directory of Holders”**). Pursuant to Section 18 para. 4 sentence 1 SchVG, the Notary must determine the entitlement to vote of the Holders on the basis of the submitted evidence. For the creation of the Directory of Holders, the Notary is the controller within the meaning of Article 4 No. 7 GDPR, since he alone decides on the means and purposes of data processing in this respect. The Directory of Holders must be signed by the Notary and be made available to the Holders pursuant to Section 18 para. 1 SchVG in conjunction with Section 15 para. 2 sentence 3 SchVG. Unless otherwise legally required, the Directory of Holders will be made available to the Holders by the Issuer by sending an anonymised copy without the Personal Data. For this purpose, the Notary will provide the Issuer with the Directory of Holders so that the Issuer can make it accessible to the Holders (e.g. by sending a copy of the Directory of Holders). Pursuant to Section 15 para. 2 sentence 2 SchVG, the Holders

are to be listed in the Directory of Holders, stating their name, registered office or place of residence and the number of voting rights represented by each Holder.

3.5 Counter-Motions and Requests for Additional Items on the Agenda

If you decide to make a counter-motion during the Vote without Meeting, you must send to the Notary a corresponding motion together with proof of your ownership of the Bonds. Correct and timely countermotions received from Holders will be forwarded by us together with all the information and Personal Data contained therein (e.g. your name, address, total nominal amount and/or number of the Bonds held by you, name and address of the depository bank from which the Bonds are credited for the Holder) to the Notary (see section 4) and, in accordance with the provisions of the SchVG, will be published on the Issuer's website ([Bonds | Photon Energy Group](#) in section Green EUR Bond 2021/2027) stating the name of the Holder and, if applicable, via other publication media (such as the German Federal Gazette (*Bundesanzeiger*) and the Luxemburger Wort).

Holders who hold at least five (5) percent of the outstanding Bonds in total may request that new resolution items are presented ("**Request for Additional Resolution Items**"). In the event of a proper and timely Request for Additional Resolution Items, we will on the one hand forward this Request for Additional Resolution Items with all the information contained therein to the Notary and on the other hand publish these items, stating the name of the Holder in accordance with the provisions of the SchVG in the German Federal Gazette, the Luxemburger Wort and on the Issuer's website ([Bonds | Photon Energy Group](#) in section Green EUR Bond 2021/2027).

We are obliged to examine your status as Holder on the basis of a special confirmation from your depository bank or an alternative proof and must be able to prove in case of any actions for rescission (*Anfechtungsklagen*) and/or actions for avoidance (*Nichtigkeitsklagen*) that we have fulfilled our duty to examine.

3.6 Inquiries from Holders

If you contact us with questions about the Vote without Meeting, we may record the questions you have asked for documentation purposes, together with your name and contact details and proof of your status as Holder internally with us in order to be able to defend us in case of any actions for rescission (*Anfechtungsklagen*) and/or actions for avoidance (*Nichtigkeitsklagen*). If a person makes a claim against us in the course of the Vote without Meeting that only relates to one Holder, we are obliged to check the noteholder status. Even under these circumstances, we will process Personal Data (e.g. name, address, number of Bonds, depository bank) internally for evidence purposes.

3.7 Minutes of voting without meeting

Pursuant to section 18 para. 4 sentence 4 SchVG, any Holder who has participated in the Vote without Meeting may request a copy of the minutes of the Vote without Meeting together with annexes from the Issuer within one year of the end of the voting period. For this purpose, the Notary shall transmit these minutes together with annexes to the Issuer and the Issuer shall provide the Holders with a copy of these minutes together with annexes in accordance with the provisions of Section 18 para. 4 sentence 4 SchVG. Information claims pursuant to Article 15 GDPR remain unaffected.

3.8 Safeguarding other legitimate interests

In addition, we are entitled to process your Personal Data for the purpose to protect our legitimate interests or the legitimate interests of a third party pursuant to Article 6 para 1 sentence 1 lit. f) GDPR. Before we process your Personal Data on the basis of our legitimate interests, we will check in each individual case whether our interests outweigh your interests within the scope of an evaluation. The legitimate interests which entitle us to process your Personal Data are, in particular, protection against illegal activities such as fraud or similar threats or the detection of such activities and threats in order to protect us from possible damage.

Pursuant to Article 21 GDPR, you have the right to object at any time to the processing of your Personal Data in order to protect our legitimate interests for reasons arising from your particular situation. In this case, we will no longer process your Personal Data unless we can prove compelling reasons for the processing that outweigh your interests, rights and freedoms, or the processing serves to assert, exercise or defend legal claims.

We identify Holders (name, contact person and address) on the basis of publicly available information so that we can inform them by letter or e-mail of the forthcoming Vote without Meeting and of any further votes by Holders. Holders may obtain further information on such an evaluation of interests directly from us using the contact options listed in section 1 above.

If we wish to process your Personal Data for a purpose not mentioned in this document, we will inform you of this beforehand within the framework of the statutory provisions and, if necessary, obtain your consent.

If no effective resolution is passed either in the Vote without Meeting or in the subsequent bondholders' meeting, we will delete or anonymize your Personal Data in the follow-up to the bondholders' meeting, insofar as these relate to questions, counter-motions or Request for Additional Resolution Items made by you during the Vote without Meeting. In this case, we will store the Personal Data recorded in the Directory of Holders for at least one month from the announcement of the result of the Holders' meeting.

We will retain the Minutes of the Vote and annexes created by the Notary for at least one year after the end of the voting period. Together with the Minutes of the Vote, we will also retain the names and addresses of those Holders that took part in the Vote without Meeting for at least one year after the end of the voting period.

Furthermore, we will retain Personal Data if this is necessary in connection with claims asserted against or by us or to protect our above-mentioned legitimate interests.
